

The American Legion 2019
Scholarship Competition

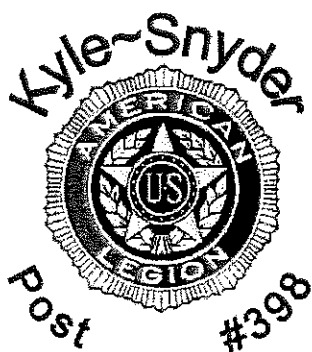

The American Legion encourages the community to seek higher education in the state of Indiana. We have established this scholarship to Award those members of the local school districts who strive to make a difference in their community.

Although academic achievement is highly valued, we are looking to Award those who go beyond the scholastic expectations. This dedication is not limited by education, but includes volunteering in the school and community.

All applicants must be enrolled in the school(s) in which the scholarship is being offered. The winners of the scholarships will be decided by the presiding Post 398 Executive Committee. All entries with attached essays must be received **by April 30th of 2019.**

A representative from WVCF will contact the school and arrange for a time when the Award will be presented to the student.

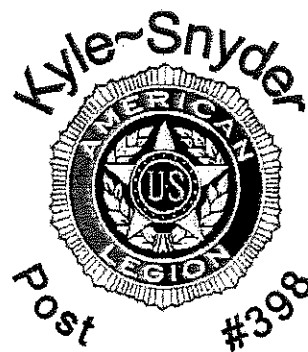

Please see attached rules and Application sheets for the 2019 Scholarship Competition. These rules apply only to the current year.
