

‘The Peek’

August 25 - September 4

“Where Everyone Counts and Everyone Matters”

.....

“Mistakes are proof that you are trying”

WOLVERINE NEWS

It has been 2 ½ weeks since school began and things are running very smoothly. I would like to thank the entire WRV student body and staff for working very hard to get this school year up and going. At WRV everyone is so good about working as a team. It is a blessing to be around so many caring people. With the eclipse, we were all part of a historical few minutes. Everything I heard from the students was positive and they had a great time. Thanks to Mrs. Overman for supervising our students for the outdoor experience and to all staff for covering classes so the students could go outside. We can all say we were part of a historical event. Remember to mark your calendar, as there will be no school on Friday, September 1st or Monday, September 4th.

The new website is up and running. We are working hard to get the WRV High School site updated. Be patient with us as the website is a new experience for two of us here at WRV. We were trained this week on how to keep it updated. I promise that very soon, it will be one of the best around. www.wrv.k12.in.us

On the vocabulary section below, definitions have been added. Please take time to go over these words with your students. Do these words come up in your home? Many times, it depends on what context the words are used. Please partner with WRV as we continue throughout this school year to learn 50 vocabulary words and the definitions in different contexts.

Thanks to all who played, sponsored, volunteered, or helped in anyway to make the 2017 WRV Athletic Department Golf Open. It was a **HUGE** success. Be thinking of your team for next year.

ATTENDANCE - Attendance continues to be one of our priorities at WRV. Please make sure that your student is in school everyday.

VOCABULARY - Practice using these 5 words this week at home with your student.

1. **Abstract** - existing in thought or as an idea but not having a physical or concrete existence, a summary of the contents of a book, article, or formal speech, consider (something) theoretically or separately from something else
2. **Aerobic** - relating to, involving, or requiring free oxygen
3. **Analyze** - examine methodically and in detail the constitution or structure of, discover or reveal (something) through detailed examination
4. **Argumentative** - given to expressing divergent or opposite views, characterized by systematic reasoning
5. **Bio** - a biography or short biographical profile of someone, relating to life.
