

## Thomas McIntosh Scholarship for Entrepreneurial Tenacity

Thomas McIntosh, a 1968 graduate of L&M High School, has led a lifetime of personal and professional business and entrepreneurial pursuits. He has excelled at all areas of those pursuits...be it as an owner, a manager, an industrial leader, and/or as a humble worker. He is a tremendous role model for young people who has approached everything he has done professionally with a great amount of tenacity. Tenacity is defined as the quality or fact of being very determined. The life of Tom McIntosh defines this attribute. From his rise from a humble beginning on the family farm to a giant in the local and state business community, Tom McIntosh has been a positive and determined business success. It is in his honor that his family has established the Thomas McIntosh Scholarship of Entrepreneurial Tenacity.

This scholarship is to be awarded annually to the White River Valley High School senior who has excelled in the Wolverine Enterprise LLC program, a program that Tom has supported and served from its inception at WRV High School as a community member of its Executive Board. The scholarship will be selected by a committee of McIntosh family designees and WRV school personnel associated with the Wolverine Enterprises LLC program. Applications will be due each year by May 1<sup>st</sup> to the school guidance department. The scholarship winner will be announced at the school's annual Senior Scholarship program in late May.
